SUBJECT: LEONARD MASSEY

Dear Terry:

I hate to keep bothering you but I would like to complete this file if at all possible. I am enclosing a confidential record sheet which I would like to have completed so that we can identify Mr. Massey should he move somewhere else and try to register.

I believe we have enough information from what you sent us until Mr. Massey can prove he is innocent of any charges. In the meantime, I think we should place him on our file.

Please send us a completed confidential record sheet and we will then place him on our permanent file. If further information becomes available, we can always re-evaluate this decision.

Sincerely,

Paul Ernst, Director  
Registration Service

Dear Leonard:

This letter is to document our phone conversation of 15 December 88. I understand the frustration that you express and hope that you are successful in clearing the record. Mr. Jeffus has voiced support of your application.

As I indicated, the reinstatement of your registration can not be done until we have documentation showing your innocence. Please forward to me copies of the trial decision and a formal recommendation from the Arkansas Social Services Agency.

Once these documents are received we will reevaluate your adult leader application.

I hope it works out for you.

Sincerely,

Terry W. Crawford

Dear Leonard:

I have now heard from our National Registration Service concerning your reapplication as an adult leader. The position has not changed. Until such time as you can provide written documentation that clears you of all charges, we can not accept your application.

Please keep us informed of any positive developments in your attempt to clear your record.

Sincerely,

Dear Terry:

This confirms our telephone conversation of December 9, concerning the registration of Mr. Leonard Massey. At this time, I feel you have gone the correct direction and that Mr. Massey should not be registered with the Boy Scouts of America.

We really need some information concerning the original charges of child abuse and also the final disposition of this situation. A letter from the National Center for Child Abuse would certainly help in clarifying this matter.

Please keep me informed of any change in the status, but we will firmly back your decision not to register Mr. Massey until this has been resolved.

Sincerely,

Paul Ernst, Director  
Registration Service

Dear Paul:

This is a followup to my letter dated October 4, 1988 concerning the removal of Leonard Massey as Scoutmaster of Troop 975 (copy enclosed).

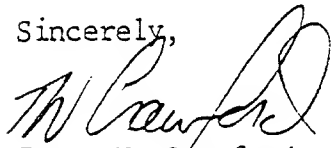

Mr. Massey has requested reinstatement as Scoutmaster for this troop. The head of the Bethesda Volunteer Fire Department is supporting his reinstatement. I asked Mr. Massey to complete a new adult leader application before we can make any determination. I am enclosing a copy of the application. I sent the original back to the institution by my district executive.

He proclaims his innocence in the matter and says that the record with the National Center for Child Abuse is in error. He further states that the ACLU is getting involved to clear his name.

My response, thus far, has been that I can not judge guilt or innocence. As long as the record exists indicating previous child abuse, I can not approve registration as an adult leader.

Please advise me on our proper position.

Sincerely,

Terry W. Crawford  
Scout Executive

Dear Leonard:

I have, on this day, received your application for reinstatement as Scoutmaster for Troop 975. I have done two things: sent a copy of the application to our National Registration Service for review and sent the original, by Ken Stanberry, to Alva Jeffus for signature as the head of the sponsor institution.

I can not judge guilt or innocence. At this point, as long as the record exists with the National Center for Child Abuse, we must await review by our national organization before approval can be made.

I must ask that you provide no leadership, nor even contact, with Troop 975 during this review phase. I will notify you and the Bethesda Volunteer Fire Department as soon as I get a response from the National Office.

Sincerely,

Dear Terry:

Thank you for your letter of October 4, concerning the above named individual. We also appreciate the rapid action of councils when there is any concern related to a leader.

I am enclosing a Confidential Record Sheet which I would like to have completed with as much information as you have available. This will enable us to identify Mr. Massey anywhere he might attempt to locate and register. You indicated that you are trying to get the disposition of the case. We really would like to have this and any other documentation that is available. Newspaper clippings, copies of the court record, or other material would be most helpful in completing our file.

Thanks again for your help in protecting the youth of America.

Sincerely,

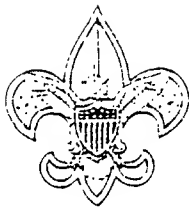

Paul Ernst, Director

Dear Paul:

On this date, I instructed my registrar to delete from computer records the Scoutmaster for Troop 975 sponsored by the Bethesda Volunteer Fire Department in Camden, AR.

The Troop Committee asked him to resign because of information they received that indicated he had been arrested 6 years ago in Little Rock for child abuse. I have communicated the information known to our Council attorney and President. The attorney is trying to discover the disposition of the case. The Scoutmaster did not protest his removal by the committee.

The personal information that I have is as follows:

Leonard Massey

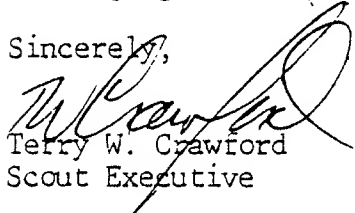

Birthdate 1-17-43

Camden, AR 71701 Employed by:

At this time we have had no complaint or suspicion communicated to us concerning his work with Troop 975. If any further significant information is found, I will keep you posted.

On another matter, our computer is down. We can not access the TX10 software. You will receive a month end September transmission as soon as we are up and running again.

Sincerely,
